School Governance

Strategic Management for School Leaders

A workshop for Principals, Assistant Principals and Aspiring Principals

Venue: VASSP/VPA Offices, Unit 2, 13 – 21 Vale St, North Melbourne

Date: Friday 27 October from 9.00am to 1.00pm

VASSP, VPA and the Bastow Institute, along with Sharon Butler from Silent Partners, offer this workshop to leaders who wish to develop their understanding and skills in the role as Executive Officer of School Council. You will learn to respond strategically to changing demands and challenges, and gain skills in handling both the technical and relationship management aspects of the role.

Please note – this workshop is delivered in two parts: a set of pre-workshop tasks and this half-day workshop.

Learning outcomes

By completing this module you will develop an understanding of:

- why governance is important
- the role of the principal as executive officer of school council as distinct from those of school council presidents and members
- the technical knowledge required of principals in relation to of this role (e.g. conducting school council elections, effective meeting procedures)
- the role of the principal in enabling school council to effectively fulfil their roles (e.g. in strategic planning, understanding school finances)
- the relationship management skills required by principals in relation to school council (e.g. effective communication skills and processes, managing conflict, and working effectively with the school council president).

Cost: Attendees \$25.00 (Inc. GST) per workshop
Morning tea provided.
