

# SUPPORTING NEW PRINCIPAL CLASS INDUCTION PROGRAM

With Michael Licenblat (Resilience Expert)

“Pressure Proof Principals – Building Your Resilience”

Brian Wheeler (DET, Principal Support Unit)

Elizabeth Kuruvilla (DET, School Operations & Governance Unit)

With greater expectations, increased workloads and higher standards, Principals and Assistant Principals must adapt faster, work harder, and manage more to deliver great education and a positive learning experience.

The Principal role is challenging and rewarding. Adapting to change and building personal resilience are key factors in avoiding burn out and maintaining engagement and motivation.

In this Induction, MICHAEL LICENBLAT will walk you through the 5 stages of personal resilience so that you can be more adaptable and positive, and perform ‘better under pressure’.

**Technical Leadership Learning Outcomes - how to manage your HR duties, including:**

- The Probation Process - Brian Wheeler (DET)
- People and Culture - Elizabeth Kuruvilla (DET) will outline the School Council Election process and current Governance and School Council responsibilities.

Morning tea and lunch will be included and provide opportunity to network with colleagues on the same Principalship journey. Your feedback will guide future programs for first time Principal Class Officers.
