

STRATEGIC INTENT 2017 – 2018

The VPA is the professional association that recognises the opportunities and challenges that are faced by educational leaders. The VPA is the voice of government primary school leaders and actively advocates for them on the complex role of school leadership. It is a network of school leaders with a focus on the wellbeing of colleagues ensuring they are **connected, united and empowered**.

The VPA provides a range of key services and support for leaders in Victorian government primary schools. Through the VPA school leaders are kept up to date with information that affects the education sector, provided with professional learning opportunities and are advocated for at State, Federal and International levels.

OUR VISION

Outstanding leadership; Exemplary inclusive schools

OUR MISSION

To influence Victorian state education through inspiring and progressive school leadership, ensuring all students receive the highest quality education.

WE VALUE

Collegiality, Integrity, Learning, Commitment & Representation

THREE KEY PILLARS OF DELIVERY

- **Professional Services and Support**
- **Professional Advocacy**
- **Professional Learning**

PILLAR	STRATEGIC INTENT
1. Professional Services and Support	To provide high quality professional services and support to school leaders. To enhance and promote the wellbeing of school leaders.
2. Professional Advocacy	To advocate for, and on behalf of, school leaders
3. Professional Learning	To provide access to tailored, high quality and relevant professional learning for school leaders

As a VPA network we are **Connected, United & Empowered**
